

## RESPIRE & TRANSITION SERVICES

In response to an increased need for short to medium term transitional accommodation, disAbility Living has created an environment which assists individuals to achieve stability, personal growth and maximise independence. We use a Person Centred Approach to planning support for people with disabilities aged between 18 - 50 years.

### Our Services Include

- Short term accommodation in a comfortable and welcoming environment
- Intensive, personalised support with skilled and experienced staff and allied health professionals
- Psycho-social rehabilitation
- Ongoing lifestyle planning and review
- Fostering and strengthening existing relationships with family and friends and natural supports
- Support for individuals to be involved in local community activities
- Person Centred Planning to identify longer term support requirements and accommodation options

disAbility Living Inc was established in 1984 to provide lifestyle and independent living support for young adults with disabilities.

Over the years, we have extended our services to include:
